

Week 7: May 19th - 22nd

	Literacy/Language	Math
Mon.	<ul style="list-style-type: none"> ★ Victoria Day 	<ul style="list-style-type: none"> ★ Victoria Day
Tues.	<ul style="list-style-type: none"> ★ Rainbow print the word big. Use crayons or markers. Try to use 3-4 different colors. ★ Try to say and print words that rhyme with big. ★ Using letters in the word SPING write a word or draw a picture that begins with each letter. ★ Read and enjoy books for 10-15 mins. 	<ul style="list-style-type: none"> ★ We are going to work on part, part, whole this week. Here is a video to help refresh your kiddos brain! https://www.youtube.com/watch?v=vzeeaxLQDkE ★ Draw a picture of a pond with some ducks in the pond and some outside the pond. ★ Draw a part part whole box, and count how many ducks are in the pond, and that will be one part. Count how many ducks are outside the pond and that will be the other part. Count how many ducks all together and that is your whole!
Wedn.	<ul style="list-style-type: none"> ★ Look for words that start with the sound b, i, and g. Make a list of them!! ★ Make a book. Staple or fold some pages together. Write and illustrate your own story. ★ Grab some pillows, blankets and pj's and read and enjoy some books!!! 	<ul style="list-style-type: none"> ★ Today you can gather some items to help you with part part whole. Some examples you can use are chocolate chips and cheerios, dice, two different types of toys, etc. ★ You can get 5 of each item, so 5 chocolate chips and 5 cheerios. You can make different combinations and record on a part part whole box. For example 2 chocolate chips and 3 cheerios make a whole of 5! ★ Draw 5 part part whole boxes and see if you can find different number combinations.
Thurs.	<ul style="list-style-type: none"> ★ Play tic tac toe with a family member. Instead of using x's and o's use one of your sight words to fill the boxes. ★ Go on a hunt in your house or outdoors. Try to find one thing that begins with every letter in the alphabet! ★ Read and enjoy books for 10-15 minutes. 	<ul style="list-style-type: none"> ★ Practice counting forwards to 20 and backwards from 10!!! ★ "One is a snail, ten is a crab" https://www.youtube.com/watch?v=zDjp7rTXtsk ★ Can you draw a crab with 10 feet, and other animals with 2 feet, 4 feet, etc.

Fri.	<ul style="list-style-type: none"> ★ Using old newspapers, flyers or magazines cut out the letters needed to build the sight word <u>big</u> and other ones from previous weeks. ★ Read or listen to a non fiction book. Draw a picture and write about the new things you learned. Different zoos have created videos you could watch if you do not have any books. (ex: Toronto zoo) ★ Can you write a sentence using the word big in it??? What is something that is big and small??? 	<ul style="list-style-type: none"> ★ Read the number poem and you can do actions to it, the poem is attached after the part part whole mat. ★ Make number cards for your house!! ★ Get some paper and create numbers 1 to 10. ★ Decorate each card for example on the number 1 card, you should have 1 heart or 1 of something, the 7 card would have 7 suns,etc. ★ Once you are done mix the cards up and see if you can make a number line from 1 to 10 with them!!

Challenge of the Week

This week is an art challenge... can you create a hybrid animal. Think of your to favorite animals and combine them. Think about what characteristics you like about each animal and put them together!!! Come up with a new name for you animal!!!

Art Challenge 30 Hybrid Animals

Combine two or more animals to create a new one. Give your new animal an awesome name.

Here is an example of a part part whole mat, the parts can also be on top and the whole on the bottom.

“Friends Number Poem” (From MMS)

1,2 wiggle your shoe.

3, 4 touch the floor.

5, 6 do some tricks.

7, 8 stand up straight

9, 10 say it again!!
