Word Work

Choose 5 new words from our word wall and practice them in different ways outside. Write them with chalk, sidewalk paint, make a hopscotch with the words or build them with rocks.

Writing

Make your own caterpillar (see attached document "How to make a caterpillar"). Once your caterpillar is done, tell us about your caterpillar.

Ex.: Voici ma chenille. Ma chenille s'appelle Loulou. Elle est bleue et violette. Elle aime manger des feuilles et des fleurs.
