Literacy without technology or low technology

**Word work:** choose 5 words from our word wall. Practice writing your words using rainbow colors or writing them in a pyramid as shown in the example.

Ex: a  
av  
ave  
avec

Review oral communication activities.

**Writing:** Phrases mélangées: put the words in order to create a sentence. Draw the sentence. You can print the attached activity or write the words on a separate paper.

Ex: chat Le gros. est = Le chat est gros.

Math: **Task for the week:** Continue practicing a variety of addition activities with numbers up to 20.

Continue working on activities from last week. See attached document for list of new activities to help with this task.

Wellness/physical activities

- Continue working on your Movement mat.
- Go for a walk outside and take the time to notice the different colors around you.
- Call a relative or a friend that you haven't talked to in a long time.
- Color scavenger hunt (see attachment)
