

Week 6 – May 11th – 15th

#1: BINGO

Choose an activity each day.

Try to make a line.

Happy Monday everyone!

We hope you all had a great Mother's Day weekend! This week we are back at it with some more home learning activities. We just wanted to take this opportunity to thank all of you for your patience and support as we rolled out at-home learning plans over the past few weeks... can't believe we are already on week 6! We are always interested in your feedback, both constructive and positive, so don't hesitate to reach out to us!

Thinking of all of you! Mme Stephanie and Mme Nikki xox

<p>Can you solve this math riddle? I am between $50 + 5$ and $60 + 5$. I'm an even number (nombre pair). I am six dimes. What am I?</p>	<p>Can you create your own version of the Olympics in your backyard? Brainstorm materials needed, create score cards and challenge your whole family to play.</p>	<p>Do you know anyone in your family or in your community who is an essential worker? Describe their work and their role. <i>Ex: Mon oncle est un médecin dans ma communauté. Il soigne les personnes qui sont malades.</i></p>	<p>Can you create nature numbers? Using materials in your yard like rocks and sticks create the numerals 40 to 60.</p>
<p>Create a comic strip with one of our essential worker of the community. Share your adventure with your hero and your friends. Link for a free website to create your comic strip: https://www.pixton.com/fr/</p>	<p>Draw a picture of spring for an essential worker. Use the colors of the rainbow to make it colorful.</p>	<p>Can you solve this math riddle? Both of my digits are the same odd number (nombre impair). I am between 30 and 60. I am not $25 + 8$. What am I?</p>	<p>Skip Counting: Use skip counting strategies to solve the following problems. Ask yourself how many gloves would be needed to cover 50 fingers? If I have 20 flip flops, how many children could each get a pair of flip flops? Draw a picture to help you solve the problem.</p>
<p>Mme Nikki played a video game and scored 38 points. Mme Stephanie played the same video game and scored 52 points. How many more points did Mme Stephanie score than Mme Nikki?</p>	<p>Draw and write about something you like to do outside with your family. Before you begin to write ask the following questions: Who are you with? Where do you like to play? What are you doing? How does it make you feel? Try to use the sight words you have been practicing over the last few weeks.</p>	<p>Do you know or live close to an essential worker (a hero) who can speak French in your community? Have a virtual interview with a hero in French. What is their work? Where do they work in your community? Name a list of people who work in your community and try to name them in French.</p>	<p>Can you write an acrostic poem using each letter in your name? Can you make one for one of your family members or your best friend? S ouriante T oujours prête à aider les autres E coute quand quelqu'un parle P laisante H eureuse</p>

#2: Daily reading: 20 minutes every day! 😊

#3: Sight Words

- | | |
|-----------|--------------|
| 1. aider | 6. plaisir |
| 2. cela | 7. jamais |
| 3. dire | 8. soleil |
| 4. midi | 9. venir |
| 5. parler | 10. vraiment |

Add some art to your words:

Sight Word Finger Paint

Take a gallon sized zip-lock bag and add a few squirts of paint and some water. You don't want to add too much paint or when you trace the letters you won't see anything! Then press out the air, seal it up tight and tape the edges.

Kinesthetic Sight Words

Add some fine sand into a pencil box or a plate, cookie sheet, etc. and use an un-sharpened pencil to trace the sight words in the sand (or salt, sugar)!

Watercolor Sight Words

Write the sight words on small sheets of white paper with white crayon. Then, use water color paint to find out what the mystery word is!

Initial sound and end sound

Write the words. Find the son initial (initial sound) and the son final (end sound) of each word and color them in a different color.

Sight Word Post-it Note Match

Write out the words twice: 1. onto a white board 2. post-it notes or piece of paper (you will need to cut out each word if you are using a piece of paper). Put the words in a hat or box. Pick out a word and then match up the corresponding word on the whiteboard.

#4: New activities to try this week:

1. Try out a math scavenger hunt:

<https://www.facebook.com/PrimaryPlayground/photos/a.503425483179616/1255465754642248/?type=3>

2. Did you get the chance to check out some STEM activities: <http://stemnorth.nbed.nb.ca>

3. Online literacy games: <http://www.takatamuser.com/maternelle.html>

4. More fun online math games: <https://www.abcya.com/>

5. Sight word game (Snakes and ladders):
